## Organization Funding Exclusions

Variety will not consider funding for:

1. Services or equipment not directly related to a child's special needs and which are not deemed medically/developmentally necessary as well as alternative or naturopathic treatments or those not provided in person such as neuroplasticity or computer stimulation
2. Any program/service or equipment that can be or is paid wholly by government
3. Autism Behavioral Intervention/Consultation or program funding for Autism for children under six years old who receive over \$22,000 per year funding from the Ministry of Children and Family Development (MCFD)
4. Childcare, respite or related programs/services
5. Warranties, insurance, maintenance, service agreements, batteries, repairs
6. Administrative, staff wages or any operational related costs
7. Vehicles except: Sunshine Coach program or Sunshine Family Vans
8. Computers for administration or management
9. Applied research, salaries and benefits
10. Travel costs including: time, gas, mileage, truck or car rentals, parking or insurance
11. Shipping or delivery costs
12. Sports equipment that is non-adaptive or does not support special needs
13. Non B.C. or Yukon residents
14. Assessments, reports or consultations
15. Projects/Programs that support less than 25% special needs children
16. Expenses that have already been initiated or have already occurred prior to submission or written approval
17. Incomplete application forms
18. Those without specific certification or professional credentials to deliver services to clients or the use of assistants
19. Children or youth over 19 years old
20. Business or for-profit groups
