**There are developmental Pediatricians in PG and PR (ex: Dr. De Villiers) who do not focus on assessments.*

***Please note that this information is subject to change and is not an exhaustive list.**

- **It is up to the parent/guardian to ensure that the clinicians meet the standards of BCAAN (British Columbia Autism Assessment Network).**

Assessment guidelines: <http://www.phsa.ca/our-services/programs-services/bc-autism-assessment-network#Diagnosis--forms>

Non-BCAAN (private) Diagnosis Form:

'Families do have the option to obtain an assessment outside of the BC Autism Assessment Network. However, assessments outside of BCAAN must adhere to the same standards and guidelines to be eligible for funding from the Ministry. Registered psychologists, Pediatricians, and psychiatrists may provide private assessments. The following form has been developed to assist families who have accessed a Privately acquired or NON BCAAN assessments. The form should be completed by a qualified specialist.' (Source info: [BC Autism Assessment Network](#))
